At GT, we understand our clients’ businesses and offer them a highly entrepreneurial approach to legal counsel. Our multidisciplinary team includes senior lawyers who have served as chief legal officers at major multinational companies and have spent years solving real-world problems in the business, political and legal environments of major commercial centers. We also recognize that clients expect and are entitled to high quality legal and lobbying work and, equally important, superior client service. Accordingly, we strive to provide our clients with the highest quality legal and lobbying work and service at a reasonable cost.

GT encourages attorneys to organize the cross-practice teams required to meet the needs of our clients. We provide our services with the dedication and responsiveness of a boutique firm and the breadth, depth, resources and operating efficiencies of one of the largest law firms in the United States.
