

# UnitedHealthcare Community Plan of Florida: A Huge Thank You to Our Amazing Volunteers!

December 2025

UnitedHealthcare Community Plan proudly partnered with **Volunteers of America of Florida (VOAF)**, **DreamBuilders**, and **Graham Barton from the Tampa Bay Buccaneers** for the **Holiday Touchdown Food Giveaway Event**. Together, we ensured Tampa families had access to **no-cost nutritious food** just in time for the holidays!

This drive-thru event provided families with food boxes filled with a **turkey, fresh produce, pantry staples, and shelf-stable items**—thanks to the generous support of **Metropolitan Ministries**. These boxes were designed to help families prepare well-rounded holiday meals and enjoy a festive season.

We were **PROUD to serve 150 families** with turkeys and holiday food. Even after the event wrapped up and we had packed up, families were still coming to the doors of our community center in need. **Thanks to your efforts, we were able to distribute the remaining turkeys and food to ensure no one left empty-handed.**

Our incredible **UnitedHealthcare volunteers** worked alongside **VOAF** and **DreamBuilders** staff to manage traffic flow and ensure a **safe, quick, and efficient distribution process**. Dedication and teamwork made this event a success and brought holiday cheerfulness to so many in our community.

**Making a difference!** Our commitment to supporting Florida families truly embodies the spirit of the season.

## Looking Ahead

As we reflect on this incredible day, we are reminded of the power of community and collaboration. Every smile, every “thank you,” and every family that left with a full box of food was possible because of the work we completed together.

We could not have done this without our volunteers, partners, and supporters, who gave their time and energy to make the Holiday Touchdown Food Giveaway a reality. Our efforts did not just provide meals—they provided hope, comfort, and joy during a season that means so much to so many.

## Stay Involved

If you are inspired by this event and want to continue making a difference, keep an eye out for upcoming volunteer opportunities and community initiatives. Together, we can keep building healthier communities and brighter futures for Florida families.
