

# Vheda's Market-Leading 2025 Results & Exclusive 2026 Access for Health Plans

Learn how Vheda's validated savings and 2026 playbook are transforming plan outcomes.

**Columbia, MD. (January 2026) – [Vheda Health](#), the leading virtual health engagement partner for Medicaid, Medicare, and SNP plans, achieved record-breaking growth in 2025—**expanding its chronic, behavioral, and maternity programs across six new markets and driving 2,001% revenue growth with a 4,049% membership increase since 2021. Built on consistent 80%+ engagement and double-digit medical cost savings, Vheda Health continues to accelerate health equity and outcomes for hard-to-reach members, and in 2026 is extending **exclusive access to its Educational Series for plans** seeking proven strategies in chronic, behavioral, and maternal health, quality ratings, and value-based performance.

## 2025 Highlights for Health Plans:

- **Record national expansion** across chronic, behavioral, and maternal health programs for Medicaid and Medicare plans in multiple states.
- **Actuarially validated savings:** ~80% member engagement, **\$600–\$1,150 PMPM** medical cost savings, and **32–34%** inpatient spend reduction.
- **Quality-linked performance gains and bonus achievement:** Delivered statistically significant **HEDIS gains** by improving core measures from below the 10th NCQA percentile to above the 50th, 75th, and 95th percentiles.
- **Educational leadership** through a national 2025 webinar series featuring maternal and behavioral health, quality, and value-based care.
- **National recognition** as No. 662 on the **2025 Inc. 5000 list** of America's Fastest-Growing Private Companies and named a **2025 Top Workplace**.
